01

Interior & Exterior

Photoreal renders for homes, offices, restaurants and villas

HOSPITALITY · ROOFTOP

Garden Rooftop Dining

A green, warm-lit rooftop restaurant with layered planting, pendant lanterns and soft wall washers.

WORKSPACE

Executive Office Suite

Dark wood fluting, brass ring lights and emerald accents for a confident, premium office.

Dark Luxe Master Suite

Charcoal panels, LED strips and a built-in aquarium. A moody suite designed around work, gaming and rest.

EXTERIOR · DUSK

Modern Villa Facade

A contemporary villa at blue hour with timber louvers, stone cladding and warm accent lighting.

Soft Neutral Bedroom & Study

Light textures, a floating study desk and clean storage for a calm, bright room.

Luxury Master Bedroom

Grey velvet, brass details, a vanity corner and a display wall that frames the TV.

Open Living & Dining

An apartment lounge with a city view, classic wall moulding and a relaxed family layout.

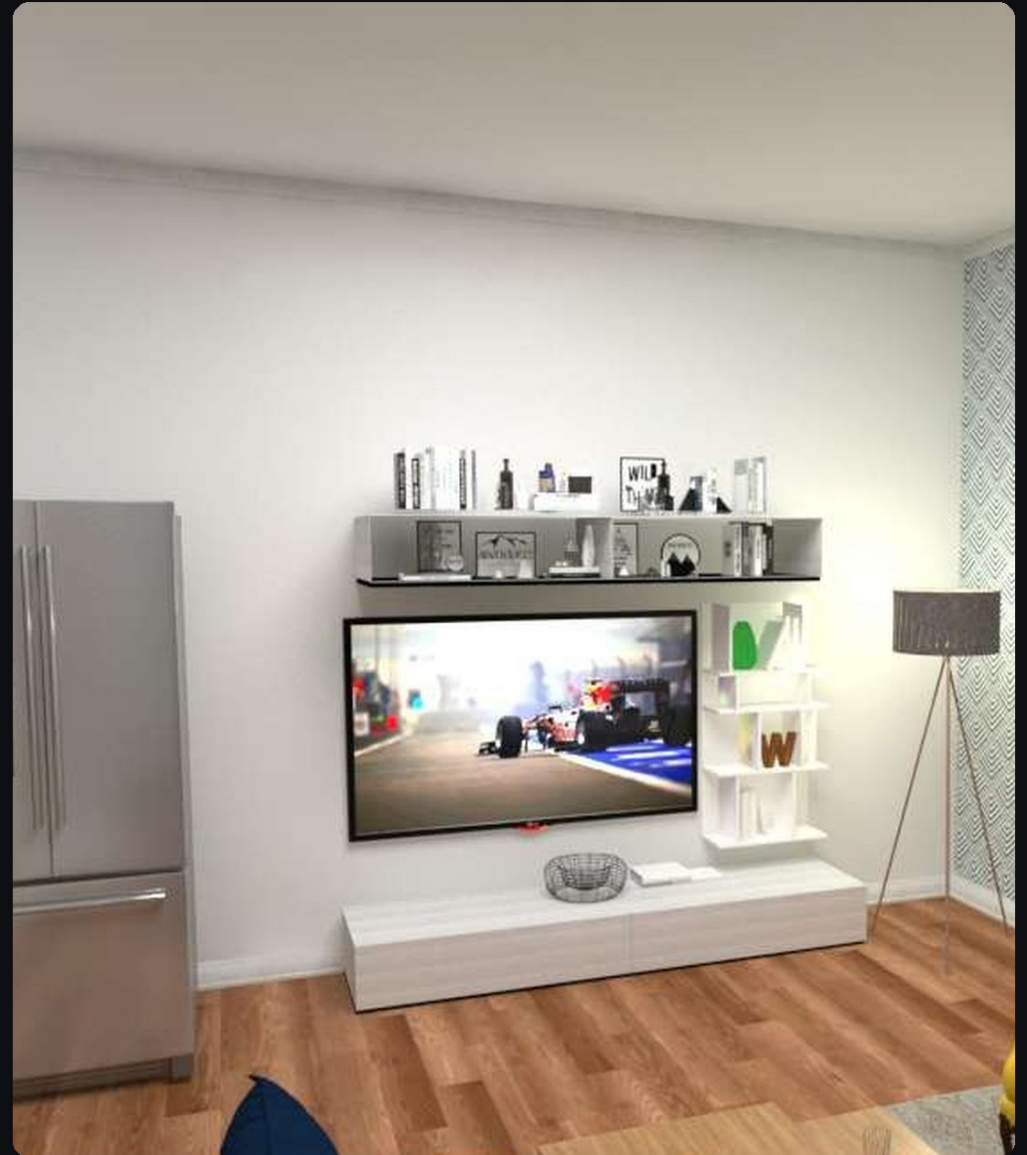

Contemporary Guest Bedroom

Grey and walnut tones, glass pendants and a cosy reading corner, shown from three angles.

Bright Kitchen & Family Lounge

Daylight-filled kitchen with an island bar, plus a cosy lounge with a fireplace and feature wall.

A detailed 3D architectural rendering of a modern, single-story house. The house features a large open-plan living and dining area with light-colored wood flooring, a kitchen with white cabinetry and a large island, and a spacious outdoor patio with a dining table and chairs. The house is surrounded by a well-manicured lawn, a driveway with two cars, and a garage. The overall aesthetic is clean and contemporary.

FLOOR PLANS

2D & 3D Floor Plans

Clear 2D plans, colour plans and 3D cutaway plans that help buyers understand a space quickly.

Empty Room to Styled Space

An empty apartment staged with furniture, art and decor so buyers can picture living there.

BEFORE

AFTER

Render Post-Production

Cleaner reflections, balanced sky and refined lighting turn a raw render into a finished image.
